IMAGEONE CO., LTD. SELECTED AS THE NEW SALES AND SERVICE DEALER FOR SEASPACE IN JAPAN.

SeaSpace announces the selection of ImageONE to represent TeraScan® systems in the Japanese marketplace.

Poway, CA., June 9, 2003 – SeaSpace Corporation has selected ImageONE Co., Ltd. to be its sales and service dealer in Japan. ImageONE is a recognized leader in Japan in the field of satellite imagery, and has over 10 years of experience in the installation and servicing of ground stations for remote sensing satellites.

Over the past 13 years, SeaSpace has installed numerous TeraScan® land-based and shipboard ground stations throughout Japan. The company holds a significant market share in the country, and foresees substantial growth opportunities in future MTSAT, MODIS, OCM, ADEOS-II, METOP and NPOESS satellite ground stations.

SeaSpace believes partnering with ImageONE's leadership and expertise is a key element in the future success of the Japan marketplace. Mr. Kevin Davis, SeaSpace Director of Business Development, stated "We are very excited about our new partnership with ImageONE. Their extensive experience with satellite ground stations and their customer support team, bring a new depth to SeaSpace's capabilities in Japan."

Mr. Hiroshi Nashimoto, CEO of ImageONE, comments "We are happy to be a partner with SeaSpace, the world renowned leader in the field of ground receiving stations of meteorological and environmental satellites. I am confident that ImageONE's experience in the earth observing satellites business will help SeaSpace contribute to the increased benefit of the customers in our region."

About SeaSpace Corporation:

SeaSpace Corporation is the world's leading provider of satellite ground stations and processing software for remote sensing applications. TeraScan® systems are in operation at more than 450 customer sites in over 30 countries. SeaSpace is a wholly owned subsidiary of The Allied Defense Group, Inc. For more information on SeaSpace Corporation or TeraScan® products and capabilities, visit www.seaspace.com or email info@seaspace.com or call 1-(858) 746-1100.
